Volunteer Hours Report

Total Hours Per Church or Organization

This is the total hours for the various Churches and Organizations that bring teams out to Storehouse for Jesus to work for a specific event. The total hours seen on this is from multiple volunteers that belong to that Church or Organization. It is also made up of many different service areas within that team. The Church or Organization would provide the total hours from their team and what Service Areas they worked in, at which time we would enter the hours under that Church against those service areas.
